

## **African Jigsaw**

On April 23 and April 24 2010, the Victoria Children's Choir will present two performances of a multi-media work entitled *African Jigsaw*.

The challenging lyrics and beautiful music of *African Jigsaw* raise awareness that in the city, extreme poverty is only a few steps away from wealth and vitality. Developed countries, including Canada, share many of the same problems, although perhaps to a lesser degree. We need to consider how we might go about solving this imbalance of wealth. *African Jigsaw* does not offer the answers but instead paints a sympathetic and touching picture that reveals many pieces of the puzzle.

**Date: April 23 and 24, 7:00 p.m.**

**Venue: Central Baptist Church – 833 Pandora Street**

**Tickets: \$15 Available from: Long & McQuade, Larsen Music, Ivy's Bookshop, Cadboro Bay Book Co, Shepherd Books and at the door**
