

JAZZALELE DUO

JAZZ goes TROPICAL . . .

Take Jazz Musicians
add ukuleles

world-class vocals

one part funky bass,

and blend for the tastiest cocktail of jazz and world music!

with The UKULADIES

"Anna (Acevedo) Lyman is known for her gorgeous voice and Latin Jazz. JAZZELELE keeps the renowned voice, but changes everything else up. This is Ukelele Jazz, which ...in the deft and musical hands of Anna and her musical partner Steve Sutton is both sophisticated and beautiful. Not at all 'corny,' Jazzelele plays all the great classics on two ukeleles with Anna's lovely voice over top." Pender Harbour Jazzfest

Anna is half Mexican and has family ties
to Mexico, Brazil, and Hawaii!
